# JARA FATOUT LANG

ARTIST IN RESIDENCE

MAY 17 - 30, 2021

## OPEN STUDIO

MAY 29 | 1 PM - 4 PM

JARA FATOUT LANG is our SCTX Artist In Residence, May 17-30.

During her residency, Lang will dedicate herself to exploring the complexities of an intimate natural world in a process involving observation, photography, research, and the translation of barely perceptible detail into oil paintings and colored pencil drawings. Her work goes beyond the surface beauty of often-overlooked tiny wonders around us.

Join us for an OPEN STUDIO on SATURDAY, MAY 29, 1-4PM.

You can also see her progress during business hours, which will be limited during the residency to Fri-Sat 11a-4p, and Sun 12-4p.
