8th Annual Comfort Art Festival

Artists will be on hand most of the day to greet visitors and discuss their work.

At all times during business and special events, we ask that masks be worn and social distancing be practiced.

# CURIOUS CUTTINGS & REBELLIOUS RHIZOMES

featuring CARRA GARZA + TRACY LYNCH

Two artists turn to the natural world to find solace and resilience, employing lens-based interpretations and serigraphy printing methods of their flora familiars. In a time when many are tuned constantly to the current trials of the modern world, Garza and Lynch rebel gloriously by focusing on the undeterred plant life nurturing us even as we struggle within our own species.
