LOVE HER WILD OPENS AT STUDIO COMFORT FEATURING PHOTOGRAPHS BY CIEL EVANS

Studio Comfort Texas (SCTX) opens exhibition of photographs by Boerne photographer Ciel Evans

COMFORT, TX – Beginning September 15th at Studio Comfort Texas, Ceil Evans debuts a solo exhibition of photographs that explores the interface of nature, play and the powerful feminine that arises from the wisdom and innocence of youth. Evans incorporates natural objects and costume with her subjects—her two daughters—as potent, almost mythic, symbolism.

The exhibit, entitled *Love Her Wild*, is part of the 2021 Fotoseptiembre USA Photography Festival. Now in its 25th year, Fotoseptiembre is a South Texas-wide festival that celebrates photography as an “inclusive and eclectic forum...a means of personal and cultural expression” (per the official Fotoseptiembre website). Studio Comfort Texas is honored to participate as one of dozens of galleries throughout the South Texas region.

Love Her Wild is also featured during the 9th Annual Comfort Art Festival, which is held throughout Comfort on Saturday, September 18, 10:00AM to 4:00PM.

“I allow my girls to play, to be wholly and naturally themselves,” Evans said. “With these images, I capture the uncorrupted sense of childhood in their gaze, their interactions with object and place. There’s great power in their innocence.”

Ciel Evans is a Wildlife Biologist and Photographer who lives in Boerne with her husband and two daughters.

***Love Her Wild* runs from September 15 through October 17 at Studio Comfort Texas. You are invited to an Opening Reception on Saturday, September 18, from 1:00 to 4:00PM.**
